To whom it may concern,

I am again supplying a "revised" specification, claim and abstract for application #09/902,860 as requested, again, by the latest form sent me. This 2nd notice of 11/20/01 is a literal copy of the notice sent me on 9/06/01 of which I complied with by sending the revisions (double spacing) to the PTO on 9/22/01.

After speaking with an application assistant at the PTO I am sending these revised papers as a back-up at her suggestion. Please process this as an application meeting all requirements and timetables as should have been the case as of the requested revisions already sent 9/22/01.

I anxiously look forward to the completion of this application and subsequent notification.

Gratiously,

Jeffrey M. Fulbright
